

Two ways to cook with Flippy:

Dispenser

- | | |
|---|---------------------------------|
| 1 | Select dispenser product |
| 2 | Tap the correct size button. |
| 3 | Order will show up in the queue |

Autobaskets

- | | |
|---|---|
| 1 | Place food in an Autobasket on an Autobasket drawer. |
| 2 | Push drawer all the way in. |
| 3 | Flippy will automatically recognize the food and place food in the queue. |
| 4 | If Flippy needs additional help, the Autobasket Drawers screen will appear. |
